NOTE

THESE RATES ARE FOR FULL COLOUR ADS. THERE IS NO BLACK & WHITE RATE.

These are NET rates only. If an ad agency is involved, their fee must be added.

Ads should be sent as PDFs wherever possible. High resolution (250 - 300 dpi) will produce the best results.

Email to febach3@gmail.com two weeks before publication date if possible (publication date is the first of the month). However, if you need more time, TALK TO US. Usually, we will be able to accommodate later arrivals but we cannot guarantee it.

Agri Digest Online can format ads for you if desired.

For more information, call Fran Bach 509-573-4245 or email febach3@gmail.com (please note we have had to change servers this year and the old agridigest@fairpoint.net address has been closed).
